Dear Jennifer:

On behalf of the Dodgeville Pond Condominium Association (DPCA), I wish to commend Beausoleil & Sons for its recent repair of our front lot. Your company's employees worked efficiently and demonstrated a remarkable degree of professionalism throughout the paving project. In particular, Josh DeJesus merits special recognition. He not only demonstrated a detailed knowledge of asphalt repair but also exhibited an exceptional level of attentiveness. Because of your crew's efforts, the affected areas of the parking lot should be in great shape for many years.

I would be happy to serve as a company reference and discuss our success story with prospective customers. Thank you.

Sincerely,

Michael E. Rantz
