Beausoleil & Sons Paving
70 Burlingame Rd. Cranston, RI. 02921

I would like to thank Josh and the crew for coming out to our Campus and providing us with a wonderful new appearance for our prospective clients and students alike to enjoy as they walk through our campus on there daily activities.

Beausoleil & Sons provided us with a tar and chip pathway to connect our multiple properties together and the end result ties our whole campus together, and the walkways turned out just as we discussed.

The crew did a fantastic job and were very fast, kind and courteous in getting the job finished in a professional matter, and at a cost that fit our budget. We hope to further do business with you in all of our upcoming paving needs.

Thank you

Gary Anderson,
Facilities Director
